**Date:** November 17, 2026
**To:** Monadnock Regional Coordinating Council for Community Transportation
**From:** Staff
**RE:** RCC Solicitation Timeline

**Background**

Every two years, each Regional Coordination Council (RCC) must reapply for its FTA Section 5310 funding. Each RCC must identify a single Lead Agency to apply on its behalf. MRCC's current Lead Agency is Cheshire County.

January 2027 — NHDOT will announce the availability of FTA Section 5310 funds for the eight NH RCCs.

March 2027- Application deadline. All RCCs must have their Lead Agency submit a complete FTA 5310 RCC Program application by the specified deadline.

Late Spring 2027- NHDOT will review applications, select Lead Agencies, and sign new two-year contracts for each region based on the proposed coordinated transportation projects for the program period covered: July 1, 2027 – June 30, 2029.

**Recommendation**

For your information and future consideration.
