RE: Regional Plan Feedback

Background

Southwest Regional Planning Commission periodically updates the Regional Plan. This year, it is preparing 'Monadnock Region Future- 2026 Regional Plan', and it wants to hear from you. Draft recommendation modules are on the Regional Plan Update page of the SWRPC website through November 30. Stakeholders can comment on any individual module as it's posted, or on the plan as a whole. Comments will help shape the final plan, which the SWRPC Board of Directors will consider for adoption on December 8th.

The modules pertaining to Transportation are Recommendation 21- Expand transportation options, and Recommendation 22- Better coordinate and integrate existing transportation services. This is an opportunity for MRCC to ensure that the two modules reflect its priorities by providing feedback.

Recommendation

Review the draft plan and provide feedback via Lisa Steadman, by using the online comment form, or by attending the public hearing held by the SWRPC Board of Directors at 3:00 p.m. on December 8, 2026, at Delegation Hall (12 Court St., Keene, NH) or virtually via Microsoft Teams Meeting ID: 294 783 071 674 678 9 Passcode: YS6Wq37i
