

Agenda Item VI-a

Date: May 26, 2026

To: Monadnock Regional Coordinating Council for Community Transportation

From: Staff

RE: Critical Access to Care RfQ

Background

A red-lined semi-final version of the Critical Access to Care RfQ is included in the packet. These updates incorporate suggestions made by MRCC members after our May meeting.

Recommendation

Review in advance, deliberate, decide on any changes to the document, and authorize the release of the RfQ.
